

## PROSPECTUS

<b>Title:</b>	Radiation Applications Forum
<b>Place:</b>	Qatar University, Ibn Khaldoon Hall
<b>Date:</b>	15 June 2006
<b>Organisers:</b>	Qatar University Radiation Physics Group in collaboration with Qatar Petroleum
<b>Language:</b>	The language of instruction will be English.
<b>Background:</b>	<p>The meeting will focus on presenting the University of Qatar capabilities in the field of measurement and evaluation of nuclear data for applications in industry, environment and radiation protection. Other participating organizations are also invited to present their uses and/or capabilities as well as their needs. It is also a chance to find solutions for various problems and raise common issues.</p>
<b>Participation:</b>	<p>Participation is open to all interested individuals and institutions working in the field of radiation applications and/ or radiation protection either by attendance, presenting, or joining in the round table discussions.</p>
<b>Objective:</b>	<p>The aim is to bring together academics, industry, medical, regulators and others using radiation in various fields within Qatar to meet, share ideas and solve technical problems. The main focus is to get informed about available capabilities within the country in this field and how it can benefit all of us. It is also a good chance to discuss possible collaborative research of mutual benefit and input on the national and international levels.</p>
<b>Topics:</b>	<ul style="list-style-type: none"><li>▪ Radiation capabilities and needs in Qatar</li><li>▪ The need for an annual forum</li><li>▪ The need for a society</li><li>▪ Instruments Calibration: how do we do it?</li><li>▪ Radiation measurements: who needs it?</li><li>▪ Waste management</li><li>▪ Research topics and possible collaborations</li><li>▪ Training types and needs</li></ul>

<b>Programme</b>	08:30 – 09:00	Registration
	09:00 – 09:30	Opening
<b>Structure:</b>	09:30 – 10:00	Coffee break
	10:00 – 10:45	<b>Presentation 1:</b> QU radiation measurement capabilities Presented by Dr. Ilham Al-Qaradawi
	10:45 – 11:15	<b>presentation 2:</b> Supreme Council For Environment (SCENR) Presented by Dr. Athab AL-Kinani
	11:15 – 11:45	<b>Presentation 3:</b> TBA
